The Arcanum Chapter of Future Farmers of America participated in the 1961 annual National 304 Bushel Corn Challenge Contest sponsored by the Funk G. Hybrid Corn Company. The corn was planted on Kermit Delk's farm. The yield, 240.47 bushel per acre, was the highest yield in the United States since 1955. A banquet was held in honor of Mr. Trittschuh and the boys. The F. F. A. Chapter received The National 304 Bushel Challenge Trophy and a cash prize of \$125. Kermit Delk received the State Corn Trophy and a cash prize of \$125.

Superintendent's Message

Members of the graduating class of 1962, you are to be congratulated upon reaching another milestone in your educational training. No period in history has even been as challenging as the present time. I feel sure that you are equal to the challenge. In the hope that this might help you reach your goals, I offer these suggestions: Have faith that good will win out over evil, and a deep respect for all the rights of every individual.

Opportunities will come your way. When they do, be ready to make important decisions. This means that you will need to be well informed. Therefore, you must continue to learn. Ralph Waldo Emerson said: "America is but another name for opportunity." I believe that was true then and is now.

Congratulations to all of those who have made it possible to produce the 1962 "Arcette." I am grateful to the annual staff, the yearbook sponsor, and friends of the Arcanum School, for this publication.

Principal's Message

Proudly we shall watch the Senior Class of 1962 receive their diplomas. In England the ceremony is termed "the passing out exercises." More meaningful is commencement with the subtle suggestion of the beginning, the threshold, a crossroad important in the search for life's endeavor.

Twelve years of education is sufficient for an honest appraisal of abilities and hopes to be achieved. Some of you have decided on goals; some of you are still debating. In either case you may make commencement a focal point into which you can pour the entirety of your years of preparation to achieve clearness of purpose and unquestionable integrity. As Shakespeare said:

"To thine own self be true,
And it must follow as the
Night the day. Thou canst not
Then be false to any man."

That you find happiness is our sincere wish.

They on the heights are not
the souls
Who never erred or went
astray
Or reached those high re-
warding goals
Along a smooth, flower-
bordered way.
Nay, they who stand where
first comes dawn
Are those who stumbled -
but went on.
